Is this ILM course suitable for me?

The Institute of Leadership and Management (ILM) Level 5 Certificate will build upon and broaden the skills a senior manager already has, giving them the practical techniques to excel as a strong and effective leader.

The benefits of an ILM qualification are endless. The Level 5 management course focuses on the development of an individual's ability to lead, motivate and inspire a team, providing strategic leadership as well as improving day-to-day operational management, benchmarking their managerial skills and raising their profile within the organisation—making ILM Level 5 one of the best management qualifications to have.

The ILM Level 5 Certificate is aimed at those with considerable management experience and for those looking to take their next career step to the higher-ranking leadership positions within an organisation. Studying with ILM offers you real, practical, and transferable skills that can be immediately implemented into the workplace.

With a study period of 18 months and a recommendation of 130 guided learning hours, the ILM Level 5 Certificate in Leadership and Management is the perfect preparation for successful transition into senior leadership.
