

Prince 2 Overview

[Ctrl+ Click here to enquire about this course:](#)

Objectives :

The PRINCE2 methodology for the management of projects is designed to be adaptable and scaleable for all types and sizes of projects. Widely recognised as 'best practice' for project management in the UK, the methodology has been employed by many leading private and public sector organisations.

By the end of the course you will be able to:

- Understand the benefits of using a structured project management method
- Understand the rationale and structure of the PRINCE2 method
- Understand PRINCE2 Techniques
- Appreciate how PRINCE2 methodology can be tailored to the specific needs of your organisation

Understand the PRINCE2 process model and components

Audience:

Delegates who require an overview of the PRINCE2 methodology, an appreciation of the steps involved and how it can be applied to projects.

Duration:

One Day
